Q1 W01-W09

Read the story. Then think about each question.

Chapter 1: The Map in the Chest

VOCABULARY map, inn, sailor, adventure

Jim Hawkins lived at his father's inn. A strange old sailor came to stay. When the sailor died, Jim found a map in his chest. The map showed a faraway island with buried treasure. ★ **"The map promised adventure."** But the map also held great danger.

THINK Where did Jim live?

Chapter 2: The Squire's Plan

VOCABULARY map, squire, ship, danger

Jim took the treasure map to Doctor Livesey and Squire Trelawney. They were amazed by what they saw on the map. The squire decided to buy a ship and find the treasure. Jim felt excited but also a little scared. ★ **The map promised adventure but also danger.** The adventure was about to begin!

THINK Who did Jim show the map to?

Chapter 3: Leaving the Harbor

VOCABULARY voyage, crew, ship, greed

Jim helped load food and water onto the ship. Many sailors joined the crew for the voyage. Jim had never been on a long sea journey before. He felt nervous but determined to be brave. ★ **The map held adventure — and the danger of greed.** The ship set sail toward the mysterious island.

THINK What did Jim help load?

Read the story. Then think about each question.

Chapter 4: A Hard Choice

VOCABULARY choice, home, adventure, hard

Jim sailed across the wide ocean on the *Hispaniola*. He thought about his choice to leave home. It was scary, but Jim wanted adventure. Sometimes making a choice means you cannot go back. ★ **Jim faced a hard choice.** Jim hoped his choice was the right one.

THINK Where did Jim sail?

Chapter 5: Whispers on Deck

VOCABULARY loyalty, greed, whisper, choose

Jim learned to tie ropes and raise sails on the ship. But he noticed some sailors whispering secretly. They looked at Jim in a strange way sometimes. Jim felt uneasy but did not say anything yet. ★ **Jim had to choose between loyalty and greed.** He decided to watch and wait before making a move.

THINK What did Jim learn to do?

Chapter 6: Stars and a Dilemma

VOCABULARY dilemma, star, deck, home

At night, Jim stood on the deck and looked at the stars. The sea was dark and quiet all around him. He missed his home, but he believed in his choice. Fear is natural, but bravery means moving forward anyway. ★ **Jim faced a dilemma — loyalty and greed pulled him both ways.** The treasure island was getting closer every day.

THINK Where did Jim look at the stars?

Read the story. Then think about each question.

Chapter 7: The Friendly Cook

VOCABULARY Silver, cook, kind, leg

Long John Silver was the ship's cook. He had only one leg but was very strong. Silver told Jim exciting stories about the sea. Jim thought Silver was a kind and friendly man. ★

Long John seemed kind. But Silver was hiding a dangerous secret.

THINK What was Silver's job?

Chapter 8: A Cold Voice in the Night

VOCABULARY Silver, dangerous, night, voice

Silver made delicious meals and told wonderful stories. Jim started to see Silver as a father figure. But one night, Jim heard Silver whispering to other sailors. His voice was cold and frightening, not kind at all. ★ **Long John seemed friendly but was dangerous.** Jim realized that Silver might be hiding something terrible.

THINK What did Silver make?

Chapter 9: Telling the Captain

VOCABULARY mutiny, treasure, captain, pirate

Jim discovered that Silver and some sailors were planning a mutiny. They wanted to steal all the treasure for themselves! Jim was shocked because he had trusted Silver. He bravely ran to the captain and told him everything. ★ **Long John seemed kind but Jim slowly found his true nature.** Now the ship was divided between good people and pirates.

THINK What did Silver and the sailors plan?

Read the story. Then think about each question.

Chapter 10: Trust Must Be Earned

VOCABULARY trust, Silver, captain, actions

After learning about Silver's plan, Jim felt confused. He did not know which sailors were friends and which were enemies. The captain told Jim to watch people's actions, not their words. Real friends show who they are when times are hard. ★ **Trust can be dangerous.** Jim learned that trust must be earned, not given freely.

THINK Who told Jim to watch people's actions?

Chapter 11: True Friends

VOCABULARY doctor, captain, Silver, eyes

Jim watched who helped him and who ignored him. The doctor always checked on Jim with concern. The captain praised Jim for being brave. But Silver's men looked at Jim with cold eyes. ★ **"Giving trust too quickly is dangerous."** Jim learned to see people's hearts, not just their faces.

THINK Who checked on Jim with concern?

Chapter 12: A Hard Lesson

VOCABULARY trust, betrayal, captain, doctor

Jim learned a lot about trust this week. Silver's betrayal hurt him deeply. But Jim became wiser because of it. He knew that the captain and doctor were his real allies. ★ **Trust given too freely is dangerous — Jim learned this hard.** Together, they could face the pirates ahead.

THINK What hurt Jim deeply?

Read the story. Then think about each question.

Chapter 13: Landing on the Island

VOCABULARY island, pirates, bravely, run away

Jim finally reached Treasure Island. The island was covered with thick forests. The pirates started their mutiny with guns and swords! Jim was frightened, but he did not run away. ★ **Jim acted bravely.** True bravery means acting even when you are afraid.

THINK What covered the island?

Chapter 14: Water for the Fort

VOCABULARY fort, water, pirates, dark

Jim and his friends took shelter in an old fort on the island. The pirates surrounded them and attacked again and again. Water was running low, and everyone was thirsty. Jim decided to sneak out in the dark to find water. ★ **Jim acted bravely despite great fear.** His bravery for others showed his true character.

THINK Where did they take shelter?

Chapter 15: The Bravest on the Island

VOCABULARY water, fort, captain, hero

Jim returned to the fort safely with the water. Everyone was grateful and relieved to see him. The captain said Jim was the bravest person on the island. Even the pirates were surprised by Jim's courage. ★ **Jim acted bravely to save his friends despite his fear.** Jim learned that anyone can be a hero through brave actions.

THINK Who said Jim was the bravest?

Read the story. Then think about each question.

Chapter 16: Gold Fever

VOCABULARY greed, gold, pirates, friendship

The pirates only cared about gold and jewels. They forgot about friendship and promises. Greed made them suspicious of each other. They started arguing about who would get more treasure. ★ **Greed destroys more than it gives.** Greed was destroying them from the inside.

THINK What did the pirates care about?

Chapter 17: Sharing and Grabbing

VOCABULARY treasure, share, doctor, generosity

The pirates argued louder and louder about the treasure. Silver could barely control his own men anymore. Meanwhile, Jim's side shared food and helped each other. The doctor even treated wounded pirates because it was the right thing. ★ **The treasure was not worth the suffering.** The difference between greed and generosity became very clear.

THINK Who treated wounded pirates?

Chapter 18: The Real Treasure

VOCABULARY greed, gold, strong, Jim

The greedy pirates grew weaker because they could not trust each other. Jim's group stayed strong because they worked as a team. This story teaches us that people matter more than gold. Friendship is worth more than any treasure chest. ★ **Greed always destroys more than it gives back to us.** Jim understood that the real treasure was the people beside him.

THINK Why did the greedy pirates grow weaker?

Read the story. Then think about each question.

Chapter 19: A Bold Plan

VOCABULARY Hispaniola, boat, dark, plan

Jim made a bold plan to take back the Hispaniola by himself. He rowed a small boat across the dark water at night. Two pirates were guarding the ship, but Jim was determined. He climbed aboard quietly without making a sound. ★ **Courage means doing right.** Jim's courage in that moment was truly remarkable.

THINK What did Jim row?

Chapter 20: The Chase on Deck

VOCABULARY pirate, deck, chase, skill

Jim discovered one pirate asleep and another awake on the ship. The awake pirate spotted Jim and chased him across the deck! Jim used his knowledge of the ship to escape and fight back. All the skills he learned during the voyage helped him now. ★ **Real courage means doing right when afraid.** Jim's hard work and preparation finally paid off.

THINK How many pirates were on the ship?

Chapter 21: Jim Takes the Ship

VOCABULARY Hispaniola, captain, ship, courage

Jim successfully recaptured the Hispaniola all by himself! He defeated the two pirates and moved the ship to a safe spot. The captain and doctor were amazed by Jim's incredible bravery. Jim humbly said he was just lucky. ★ **Real courage is doing what is right even when afraid.** But everyone knew it was pure courage that saved them all.

THINK What did Jim recapture?

Read the story. Then think about each question.

Chapter 22: A Brain, Not Muscles

VOCABULARY Jim, thinking, pirates, strategies

Jim was not the strongest person on the island. But he had a powerful brain that helped him solve problems. While pirates used force, Jim used clever strategies. He found the pirates' weaknesses and made smart plans. ★ **He survived by thinking.** Thinking clearly is the greatest weapon anyone can have.

THINK What helped Jim solve problems?

Chapter 23: Words, Not Swords

VOCABULARY Silver, calm, deal, mind

When Silver tried to capture Jim, the boy stayed perfectly calm. Instead of fighting or crying, Jim used his words carefully. He figured out what Silver wanted and offered a clever deal. Surprisingly, Silver listened to Jim's proposal. ★ **Jim survived by using his mind.** Jim proved that talking is sometimes better than fighting.

THINK What did Jim do when Silver tried to capture him?

Chapter 24: The Thinker's Treasure

VOCABULARY thinking, strength, quick, Silver

Jim learned that staying calm helps you think better. Understanding your opponent gives you an advantage. Jim even tried to understand Silver's point of view. This made Jim a better strategist and problem solver. ★ **Jim survived not by strength alone but by quick thinking.** Practicing thinking skills is something everyone can do every day.

THINK What helps you think better?

Read the story. Then think about each question.

Chapter 25: The Cave of Gold

VOCABULARY treasure, cave, gold, lessons

Jim and his friends finally discovered the treasure in a cave. There were gold coins and jewels everywhere! But Jim felt strangely calm about the treasure. He realized that courage, friendship, and wisdom were more valuable. ★ **Adventure teaches lessons.** The real treasure was everything Jim learned on this journey.

THINK Where was the treasure?

Chapter 26: Sailing Home

VOCABULARY treasure, Silver, voyage, change

Jim and his friends loaded the treasure and set sail for home. During the voyage back, Silver secretly escaped with some gold coins. Jim was angry but also understood that people do not change easily. What mattered most was that Jim himself had changed for the better. ★ **Every adventure teaches something important.** Every experience on this adventure shaped who Jim became.

THINK What did Silver do on the trip home?

Chapter 27: Home Again

VOCABULARY adventure, courage, trust, greed

Jim returned home and went back to his normal life. But inside, he carried the memories of his incredible adventure. He learned about courage, trust, wisdom, and the danger of greed. The real treasure was not gold but the person Jim became. ★ **Every dangerous adventure teaches what safety at home cannot.** Next week, a brand new adventure begins!

THINK What did Jim carry inside?
